

# Sguardi in Catalisi 2024

A virtual seminar series on catalysis science and technology and more...

## Upcoming Events

23  
SEPT

11:00 AM

**Exploring the nexus between catalysis, research and the anthropocene: an interdisciplinary dialogue around the nitrogen cycle**

Elsje Alessandra Quadrelli, Institut de Recherches sur la Catalyse et L'environnement IRCELYON - CNRS Université Claude Bernard Lyon 1, Villeurbanne Cedex, France

30  
OCT

2:30 PM

**Fueling the Digital Chemistry Revolution with Language and Multimodal Foundation Models**

Teodoro Laino, IBM Research Europe, Zurich, Switzerland

18  
DEC

11:00 AM

**Understanding Catalysis, one Atom at a Time**

Christophe Copéret, Department of Chemistry and Applied Biosciences, ETH Zürich, Switzerland
