

ICEC 2025 - Participation Grants

The Interdivisional Group of Catalysis (GIC) and the Industrial Chemistry Division of the Italian Chemical Society (SCI) sponsor 20 grants for PhD students, post-docs, researchers with temporary contract (RtdA, RtdB, RTT) or scholarship. Applicants under the age of 35 must have submitted an accepted abstract and are required to be members at the time of application of the Catalysis Group and/or of the Industrial Chemistry Division of the Italian Chemical Society.

Applicants should submit the following pdf documents to Dr. Rinaldo Psaro (rinaldo.psaro@scitec.cnr.it) by 15 April 2025:

- CV
- copy of the abstract

The scholarship will cover the registration fee.

12 March 2025

The SCI-GIC Coordinator

Alessandro Trovarelli

The President of Industrial Chemistry Division

Anna Maria Raspolli Galletti
